*A step away to the perfect stay...*

Escape to the lush tropical heaven of Cliff Beach Resort. Nestled in the heart of Koh Chang Island, Cliff Beach Resort provides an opportunity for international and local travelers to experience the relaxing and enchanting spirit of Thailand.

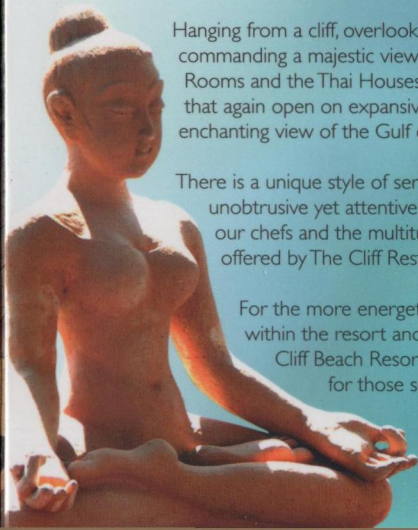

Twenty acres of tropical gardens overlooking the gulf of Thailand are accompanied by the tranquil escape of our 'hideaway beach', that offers an exquisite view from the cliff above.

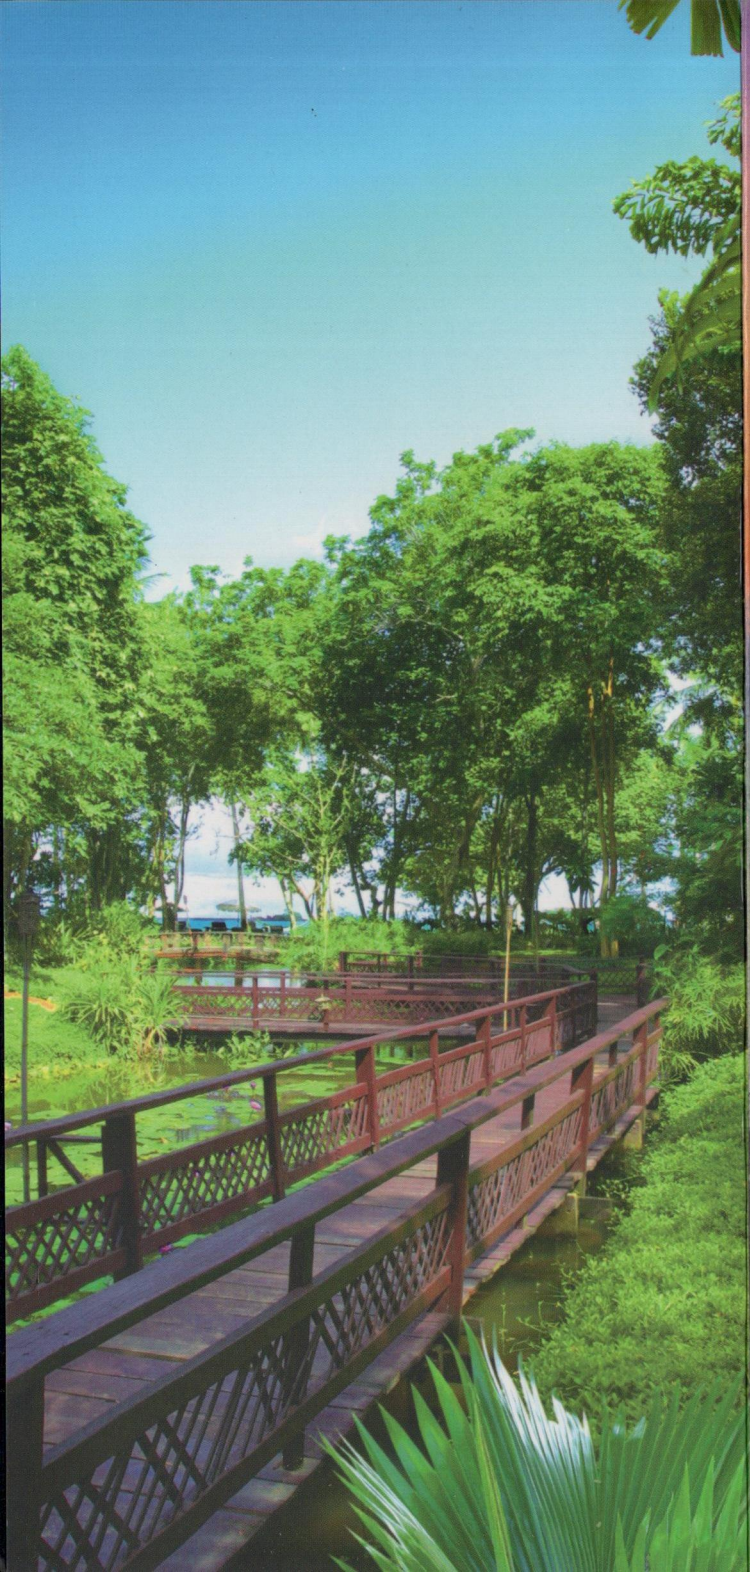

Multidimensional architectures offer a unique blend of space, colour and natural light; all guestrooms feature a private balcony or terrace with garden, sea or cliff view. Garden Suites and Poolside Suites exude a sense of space and luxury that complements the rustic village setting.

Hanging from a cliff, overlooking the western coastlines and commanding a majestic view of the sunset are the Cliff View Rooms and the Thai Houses. Bathrooms open into bedrooms that again open on expansive private terrace with an enchanting view of the Gulf of Siam.

There is a unique style of service that is warm and friendly, unobtrusive yet attentive. Enjoy the superb culinary skills of our chefs and the multitude of exotic blends and tastes offered by The Cliff Restaurant and the CoCo Restaurant.

For the more energetic there is a mini golf course within the resort and variety of water sports to enjoy. Cliff Beach Resort is truly a unique Thai experience for those seeking luxury and seclusion.
